

REMARKS

Enclosed herewith in full compliance with 37 C.F.R. §§1.821-1.825 is a Substitute Sequence Listing to be inserted into the specification as indicated above. The Substitute Sequence Listing in no way introduces new matter into the specification. Also submitted herewith in full compliance with 37 C.F.R. §§1.821-1.825 is a disk copy of the Substitute Sequence Listing. The disk copy of the Sequence Listing, file “2005-09-29 0230-0158P.ST25.txt”, is identical to the paper copy, except that it lacks formatting.

The Sequence Listing is amended to correct a typographical error in SEQ ID NO: 2. Specifically, the misc_feature section is amended from “LB sequences are 1-25 and 55-70” to “LB sequences are 1-25 and 46-70”. Support for this amendment is found in the Sequence Listing as originally filed which correctly shows the LB sequences in capital letters at positions 1-25 and 46-70. Furthermore, both LB sequences are identical in SEQ ID NO: 2 and can therefore only exist at positions 1-25 and 46-70. The amendments to the Sequence Listing are intended to correct a typographical error and do not introduce new matter into the application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Dated:

OCT 04 2005

Respectfully submitted,

By ma
